The ASTORIA MUSIC RENDEZVOUS May 8 at the Astoria Senior Center boasted good attendance. Added to the musicians was first-timer FRANK HOPP, who played the steel guitar. Piano player FERN EHRLICH and her husband, Melvin, celebrated their 40th wedding anniversary. Among the many songs Fern played was her husband's favorite, "Tammy," which Fern played on the electric organ. The next Music Rendezvous is Friday, June 12. Come, bring a friend and some goodies to share at intermission.
